Academic Qualifications:

Course	College/School	% / CGPA
BCA (2021-2024)	International Institute of Professional Studies, DAVV University in Indore, Madhya Pradesh	7.11
Class XII (2020)	Govt. Excellence H.S. School in Mhow, Madhya Pradesh	67.6
Class X (2018)	Govt. Excellence H.S. School in Mhow, Madhya Pradesh	73.3

Technical Skills:

➔ **Languages:** C, C++, JavaScript
➔ **IT Constructs:** DS and Algorithms, OOPS, OS and DBMS
➔ **Development tools:** Microsoft Visual Studio, Git for version control
➔ **Frameworks:** React
➔ **DB language:** SQL

Projects:

➔ **FILMFLIX GPT** | **Java Script** | **React JS** | **Redux Store**
Developed a **large-scale** movie recommendation app using **TMDB** and **Gemini AI APIs** for dynamic recommendations. Features multi-language support, memoization, and lazy loading.
● **Tech Stack**: React JS, JavaScript, Redux, Redux Toolkit, React Router, Tailwind CSS, Material UI, HTML, Firebase (authentication)
● Click Here to view the Project

➔ **FOOD ORDERING APP** | **Java Script** | **React JS** | **Redux Store**
Created a food ordering app similar to **Swiggy**, allowing users to **search for restaurants**, find **top-rated eateries**, and **add favorite dishes** to the cart. Technologies used:
● **Tech Stack**: React JS, JavaScript, React Router, Tailwind CSS, Material UI, HTML, Redux, Redux Toolkit, Firebase (authentication)
● Click here to view the project

➔ **VIDEO APP** | **Java Script** | **React JS** | **Redux Store**
Built a **high-performance** video streaming platform with **optimized search** and **caching** using **debouncing** and **Redux Store**.
● **Tech Stack**: React JS, JavaScript, Redux, Redux Toolkit, React Router, Tailwind CSS, Material UI, HTML
● Click here to view the project

CERTIFICATIONS:

➔ **Full Stack certificate** by PW Skills
➔ **C programming language** certificate by HI-Tech
➔ **C++ programming language** certificate by HI-Tech
➔ **Backend development** certificate by Dev Town

INTERESTS:

➔ Creating Websites/App
➔ Watching tech related podcast
➔ learning new technology
➔ Writing when some thing i found interesting and important
➔ Attending Seminar related to IT
➔ Reading Blogs and Posts on LinkedI
